ABRIDGED VERSION

In order to obtain the full detailed version of this publication, the local agents (on pages 4 and 5) can be consulted.

SOUTH AFRICAN NAVY HYDROGRAPHIC OFFICE

CATALOGUE AND INDEXES
OF
SAN CHARTS
AND
HYDROGRAPHIC PUBLICATIONS
**PRICE LIST OF CHARTS, DIAGRAMS AND PUBLICATIONS**

All navigational charts, unless otherwise stated, are currently priced at **R 147.00** per copy.  
(Also refer to page 43 for full description of SANHO publications.)

### CHARTS
- SAN 3001 .................................................. **R 147.00**
- SAN 3002 .................................................. **R 42.00**
- SAN MZ 1 .................................................. **R 147.00**

### DIAGRAMS
- P 1 to P 16 .................................................. **R 42.00**
- P 21 .................................................. **R 42.00**
- P 22 .................................................. **R 42.00**

### PUBLICATIONS
- SAN HO-1 .................................................. **R 76.00**
- SAN HO-2 .................................................. **R 98.00**
- SAN HO-3 .................................................. **R 76.00**
- SAN HO-6 (INT 1) ...................................... **R 76.00**
- SAN HO-15 .............................................. **R 218.00**
- SAN HO-21 .............................................. **R 218.00**
- SAN HO-22 .............................................. **R 218.00**
- SAN HO-23 .............................................. **R 218.00**

### MISCELLANEOUS
- SAN HO-9 .................................................. **Gratis**
- SAN HO-12 .................................................. **Gratis**
- SAN HO-13 .................................................. **Gratis**
- SAN HO-14 .................................................. **Gratis**
- SAN HO-16 .................................................. **Gratis**
- SAN HO-16a ............................................... **Gratis**
- Annual Summary of SA Notices ...................... **Gratis**
- Bathymetric Plotting Sheets ......................... **R 42.00**
- Cumulative List of SA Notices ...................... **Gratis**
- Monthly Notices to Mariners ....................... **Gratis**

### FISHING PLOTTING SHEETS
- SAN FP 21 .................................................. **R 42.00**
- SAN FZ 1 .................................................. **R 42.00**
GENERAL INFORMATION

This catalogue is amended by monthly South African Notices to Mariners and the correction information is shown in the Notation of Amendments inside the front cover of this book.

Paper Charts
The indexes show the limits of charts. An asterisk (*) against chart number on diagrams indicates that a panel is shown on that chart. Chart numbers in italics indicates that the chart has not yet been published. Limits shown in packed lines in the indexes are those of projected charts and are inserted to facilitate the correction of this catalogue. The information contained in the publication is listed in nine columns, the charts being arranged in chart series and numerical order.

Col 1 - Chart Number  All charts are metricated.
Col 2 - Chart Title  The main title is given. When plans are included in the chart they are listed under the main title with their respective natural scales in the appropriate columns.
Col 3 - Natural Scale  Constant proportion between the true distance on the earth and on the chart at mid-latitude.
Col 4, 5, 6, 7 - Chart Limits  The limits of the chart are given from north to south and from west to east. Longitudes are all East from Greenwich unless otherwise stated.
Col 8 - Publication Date  The date of publication of a chart is shown in the middle of the bottom margin.
Col 9 - New Edition Date  This date is shown to the right of the publication date.

Electronic Navigational Charts (ENCs)
ENCs are digital S-57 vector-based datasets, commonly referred to as cells, which is S-63 encrypted for use in digital applications capable of reading such files. The indexes show the limits of the ENCs. ENC numbers in italics indicates that the cell has not yet been published.

The information contained in the publication is listed in seven columns, the ENCs being arranged in numerical and series order.

Col 1 - ENC Number  Use this number when purchasing an ENC.
Col 2 - ENC Title  The main title is given.
Col 3 - Display Scale  The optimum viewing scale of the data when loaded on the screen.
Col 4, 5, 6, 7 – ENC Limits  The limits of the cell are given from north to south and from west to east. Longitudes are all East from Greenwich unless otherwise stated.

Purchase of Products
Paper charts and publications may be purchased from the Official Agents listed on page 4 and 5, and for ENCs on page 5.

Information for the correcting of Products
In the interest of navigation, mariners and others are invited to forward to the Hydrographic Office, Private Bag X1, Tokai 7966 or per fax (021) 7872228 or e-mail hydrosan@africa.com, any information that may be useful for the correction of charts.

Early advice, with all available particulars of newly developed dangers, the establishment of or changes in any aids to navigation, is requested.

Forms SAN HO-16 and SAN HO-16a, on which to render such information, can be obtained gratis at http://www.sanho.co.za, or printed copies can be obtained from the Hydrographic Office or Chart Agents.

South African Notices to Mariners
These are published monthly and can be obtained gratis in PDF format at http://www.sanho.co.za or in printed versions on request from the Hydrographic Office or Chart Agents.

Copyright
This publication, or any part thereof, may not be reproduced or transmitted in any form or by any means, electronic, mechanical or optical, for any purpose, without the express permission of the Hydrographer, SA Navy.

Other Useful Publications
Attention is drawn to the information contained in IHO publication C-55 Status of Hydrographic Surveys and Charting Worldwide concerning the status of charting, surveying and the provision of maritime safety information worldwide, which is freely downloadable from the International Hydrographic Organization’s website at http://www.ihohq.net/ihopubs/CB/C55_F11.htm link.

The IHO publication S-66 Facts about Electronic Charts and Carriage Requirements should be consulted for specific information on ENCs and their use. This publication may be downloaded at this link http://www.ihohq.net/ihopubs/standard/S-66/S-66_e11.0.0_EN.pdf.
