

To accompany Notice to Mariners 65 of 2000 continued.

NTM 65/2000  
6/2000

SAN 81 (INT 7510)

**OIL AND GAS FIELDS**

Production platforms and associated structures, including tanker moorings, storage tankers and platforms on pipelines, generally exhibit Mo(U) lights, aircraft obstruction lights, and audible fog signals. Unauthorised navigation is prohibited within 500 metres of all such structures, including storage tankers which can swing about their moorings. Tankers manoeuvring in the vicinity of the platforms and moorings should be given a wide berth.

**OLIE EN GASVELDE**

Produksie platforms en verwante strukture, ingeslote tenkskipmeerwerke, bergingtenkskepe en platforms aan pyplyne, vertoon oor die algemeen Mo(U) ligte, vliegtuighindernisligte en hoorbare misseine. Onge-magtigde navigasie is verbode binne 500 meter van al sulke strukture, ingeslote bergingtenkskepe wat rondom hul meerwerke kan swaai. Tenkskepe wat in die omgewing van platforms en meerwerke beweeg behoort 'n wye verbyvaart gegee te word.
