## EXPLANATORY NOTES

---

This publication records the date of issue of the current edition of each chart and selected publications; and of subsequent relevant Notices to Mariners issued.

This list is correct up to and including monthly Notices to Mariners Edition 12 of 2009.

Users may if they wish keep this list up to date from notices contained in Sections I and II of subsequent monthly Notices to Mariners.

A digital version (.pdf format) of this booklet can be downloaded from the SAN Hydrographic Office web site at <http://www.sanho.co.za>. This version is updated monthly.

It is hoped that this publication will be useful to chart users to determine the correctness of their charts and publications.

HYDROGRAPHER, SA NAVY

## DEFINITIONS AND TERMS

---

**CHART NUMBER** : Unless otherwise stated it is prefixed by SAN in the list. In the case of charts this number is found in the NW and SE corners outside the outer borders on the face of the chart.

**EDITION** : The date quoted in the list refers either to the PUBLISHED or the NEW EDITION date. Should the date on the users copy not agree with this date then the chart is no longer valid and should be replaced.

**PUBLISHED DATE** : Date when chart was first published. This date is to be found on the face of the chart in the Published at caption centred at the bottom outside the outer border.

**NEW EDITION DATE** : Date indicating when last major corrections to the charted area were applied. All notices published affecting the chart are also incorporated in the new edition. The notice dates, however, do not appear at the foot of the chart. Only notices issued subsequent to the printing of the new edition will appear at the foot of the chart as they are incorporated in future reprints.

The new edition date is located on the face of the chart at the bottom, between the Published at caption and chart number.

**REPRINT** : A chart reprinted for stock replenishment purposes, which has been updated for outstanding relevant notices to mariners. It may also undergo changes in style and presentation of information.

**PRINTED DATE** : Date when chart was printed. This date may agree with the Published or New Edition date as applicable, but changes as the chart is subsequently reprinted. The date, in the form of month/year combination, is printed in black on the reverse side of the chart.
